FUNDS AVAILABILITY POLICY DISCLOSURE

Your Ability to Withdraw Funds at First County Bank.

Our policy is to delay the availability of funds that you deposit in your account. During the delay, you may not withdraw the funds in cash and we may not use the funds to pay checks that you have written.

Determining the Availability of a Deposit.

The length of the delay is counted in business days from the day of your deposit. Every day is a business day except Saturdays, Sundays, and federal holidays. If you make a deposit on a business day to one of our employees while we are open, we will consider that day to be the day of your deposit. If you make a deposit after closing or on a day while we are not open, we will consider that the deposit was made on the next business day we are open. If you make a deposit to a "proprietary ATM" (an ATM owned by the Bank that accepts deposits and located at a Bank branch) before 12:00 p.m., on a business day while we are open we will consider that day to be the day of your deposit. If you make a deposit to a "proprietary ATM" after 12:00 p.m., or while we are not open we will consider that the deposit was made on the next business day we are open. The length of the delay varies depending on the type of deposit and is explained below.

Same-Day Availability.

Funds from the following deposits will be available on the day we receive the deposit.

- Electronic direct deposits
- Cash deposits made in person to one of our employees
- Wire transfers
- Checks drawn on FIRST COUNTY BANK if you make the deposit in person to one of our employees. (Exception: Next day availability in the case of a transaction involving multiple checks within a deposit.)

Next-Day Availability.

Funds from the following deposits are available on the first business day after the day of your deposit:

- U.S. Treasury checks that are payable to you
- Checks drawn on FIRST COUNTY BANK

If you make the deposit in person to one of our employees:

- State and local government check that are payable to you
- Cashier, certified, and teller's checks that are payable to you
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and U.S. Postal Service money orders, if these items are payable to you

Availability of Other Check Deposits.

The Bank policy is to make deposited funds available based upon local check availability as follows:

Checks deposited in person to one of our employees or at a proprietary ATM.

The first \$200 from a deposit of checks will be available on the first business day after the day of your deposit. The remaining funds will be available on the second business day after the day of your deposit. For example, if you deposit a local check of \$700 on Monday, \$200 of the deposit is available on Tuesday. The remaining \$500 is available on Wednesday.

Longer Delays May Apply.

We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months
- We believe a check you deposit will not be paid.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Holds On Other Funds.

If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited. We will notify you if we hold funds on any of your accounts to the extent required by applicable federal and/or Connecticut state law.

Special Rules For New Accounts.

If you are a new customer, the following special rules will apply during the first 30 days your account is open:

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfer, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, travelers, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions.

For example, the checks must be payable to you. The excess over \$5,000 will be available on the seventh business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit. Checks drawn on FIRST COUNTY BANK receive same-day availability (Exception: Next day availability in the case of a transaction involving multiple checks within a deposit). Funds from all other check deposits will be available on the seventh business day after the day of your deposit. If a customer requires information on the availability of deposited funds they should contact a First County Bank Representative.

WHAT YOU NEED TO KNOW ABOUT OVERDRAFTS AND OVERDRAFT FEES

An overdraft occurs, and you are charged an overdraft fee, when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices that come with your account.
2. We also offer overdraft protection plans, such as a link to a savings account or a cash reserve (application approval required), which may be less expensive than our standard overdraft practices. To learn more, ask us about these plans.

The following is a review of our standard overdraft practices.

What are the standard overdraft practices that come with my account?

We do authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions using your checking account number
- Automatic bill payments

We do not authorize and pay overdrafts for the following types of transactions unless you ask us to (see below):

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction.

If we do not authorize and pay an overdraft, your transaction will be declined, however you will be assessed an "Insufficient Funds Charge – Returned" fee of \$34.

What fees will I be charged if First County Bank pays my overdraft?

Under our standard overdraft practice:

- We will charge you a fee of **\$34** each time we pay an overdraft. It is possible that more than one overdraft fee may be charged against an account per business day, depending on the number of checks presented on, and other withdrawals made from the account.
- Each time the Bank does not authorize and pay an overdraft, your transaction will be declined and you will be assessed an "Insufficient Funds Charge – Returned" fee of \$34.
- In addition, if your account has a negative value for its end of day Daily Collected Balance for five (5) or more consecutive calendar days, an \$8.00 "Overdraft Service Charge" charge will also be applied to your account on each business day (Monday through Friday, excluding Bank holidays) until your account has a positive end of day Daily Collected Balance available.

Here are some of the ways that we help reduce the overall cost of overdrafts:

- We limit the number of overdraft fees to 4 per business day
- We will not charge you an overdraft fee if you are overdrawn by less than \$10
- We provide other optional overdraft protection plans to cover overdrafts that may prove to be less expensive for you, such as a personal line of credit for qualified customers or automatic account transfers when you have a linked savings account. Some restrictions and fees may apply. Please speak to a First County Bank representative for details.

What happens if my "Monthly Maintenance Service Charge" causes my account to have a negative value for its end of day Daily Collected Balance?

- The assessment of the "Monthly Maintenance Service Charge" could cause your account to have a negative value for its end of day Daily Collected Balance. For example, if your account has a \$5.00 available balance when the "Monthly Maintenance Service Charge" is assessed, this will cause your account to have a negative value for its end of day Daily Collected Balance.
- If your account has a negative value for its end of day Daily Collected Balance for five (5) or more consecutive calendar days, an \$8.00 "Overdraft Service Charge" will be applied to your account on each business day (Monday through Friday, excluding Bank holidays) until your account has a positive end of day Daily Collected Balance available.

What happens if my account has a negative value for its end of day Daily Collected Balance?

- If your account has a negative value for its end of day Daily Collected Balance for five (5) or more consecutive calendar days, an \$8.00 "Overdraft Service Charge" will be applied to your account on each business day (Monday through Friday, excluding Bank holidays) until your account has a positive end of day Daily Collected Balance available.
- Your account may also be forwarded to our collections department who will contact you to ensure you are aware that your account has a negative value for its end of day Daily Collected Balance and to discuss ways you can bring the account to positive status.
- We may also transfer funds from your other accounts at the Bank to cover an overdraft or address an account that has a negative value for its end of day Daily Collected Balance.

- Finally, if your account has a negative value for its end of day Daily Collected Balance and is not restored to a positive value for its end of day Daily Collected Balance within 45 calendar days from the date when the account originally had a negative value for its end of day Daily Collected Balance, the account will be closed and you may be reported to a national clearing house of check writing information. This may impair your ability to open a checking account elsewhere.

What if I do not want First County Bank to authorize and pay overdrafts on my account?

- If you do not want us to authorize and pay any overdraft transactions, complete an opt-in/opt-out form on your online home banking, at any First County Bank branch, or call our CustomerFirst Contact Center at (203) 462-4400.

What if I want First County Bank to authorize and pay overdrafts on my ATM and everyday debit card transactions?

If you also want us to authorize and pay overdrafts on ATM and everyday debit card transactions, at our discretion, complete an opt-in/opt-out form on your online home banking, at any First County Bank branch, or call our CustomerFirst contact center at (203) 462-4400.

Additional Overdraft Information:

Transactions are processed in sequential ascending low to high order. The order in which transactions are received by the Bank and processed affect the total amount of overdraft fees you may incur. We typically do not pay overdrafts if your account is not in good standing or you are not making regular deposits. The honoring of one or more overdrafts does not obligate the Bank to honor other overdrafts.

If you make deposits of government benefits to your account, whether by check or direct deposit, you understand and agree that once the funds are deposited they will be treated the same as any other funds in your account. This means that the funds may be applied to the payment of overdrafts and bank fees, including, but not limited to, NSF and overdraft fees, and may be applied by setoff or security agreement to any indebtedness due to us arising out of the account.

You must resolve issues of this type directly with the merchant.

Some of these services may not be available at all ATMs or POS terminals. We are a member of [MasterCard®] ["CIRRUS"], ["NYCE"] and ["Allpoint"] ATM networks and all of the transactions described above may not be available at all ATMs or POS terminals where you can use your Card and different limitations on withdrawals, deposits and other transfers may apply.

The currency conversion assessment applies to any transaction conducted using a credit or debit Cirrus®, Maestro®, or MasterCard card. The currency conversion assessment is calculated by utilizing an exchange rate that is equal to either the (i) wholesale market rate or (ii) the government- mandated rate, in effect one day prior to the transaction processing date. The exchange conversion amount is then increased by 1.10% of the U.S. Dollar value of the transaction. A "Cross Border Assessment ICA Fee" represents .90% of the 1.10% currency conversion assessment. A "Currency Conversion Assessment CCA Fee" represents .20% of the 1.10% of the currency conversion assessment. Your transaction may also be subject to a separate "Int'l Services Assessment (ELN)".

The fee may be applied to any transaction that utilizes the Global Payment System. This charge represents 1.00% of the U.S. Dollar value of the transaction.

- If the transfer would go over the credit limit on your overdraft line.
- If the ATM where you are making the transfer does not have enough cash.
- If the terminal or system was not working properly and you knew about the problem when you started the transaction.
- If circumstances beyond your control (such as fire, flood or power failure) prevent the transaction, despite reasonable precautions that we have taken.

- Tell us your name and Account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you and will correct any error promptly. (We may extend this period to twenty (20) business days if the error occurred within thirty (30) days of the first deposit to your Account.) If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. (If the complaint or question concerned a transaction that was initiated in a foreign country, was initiated at a Point of Sale terminal, or occurred within thirty (30) days of the first deposit to your Account, we may take up to ninety (90) days to complete our investigation.) If we decide to do this, we will re-credit your Account within ten (10) business days for the amount you think is in error; so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not re-credit your Account.

We will tell you the results within three (3) business days of completing the investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

You agree not to disclose or otherwise make your ATM PIN, POS PIN or Audio Response PIN available to anyone not authorized to sign on your Accounts.

Notices. All notices from us will be effective when we have mailed them or delivered them to your last known address on our records or, if we have agreed on this method, we provide it to you electronically. Notices from you will be effective when received by us at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty one (21) days before the effective date of any change, as required by law. Use of this service is subject to existing regulations governing your Account and any future changes to those regulations.

Enforcement. In the event either party brings a legal action to enforce this Agreement or collect amounts owing as a result of any Account transaction, the prevailing party shall be entitled to reasonable attorneys' fees and costs, including fees on any appeal, subject to any limits under applicable law.

Termination of ATM, POS and Audio Response Services. You agree that we may terminate this Agreement and your use of the Card or Audio Response services, if:

- You or any authorized user of your Card, Card PIN or Audio Response PIN breach this or any other agreement with us;
- We have reason to believe that there has been an unauthorized use of your Card, Card PIN or Audio Response PIN;
- We notify you or any other party to your Account that we have cancelled or will cancel this Agreement. You or any other party to your Account can terminate this Agreement by notifying us in writing.

Termination of services will be effective the first business day following receipt of your written notice. Termination of this Agreement will not affect the rights and responsibilities of the parties under this Agreement for transactions initiated before termination.

Stop Payment Rights. If you have told us in advance to make regular electronic fund transfers out of your Account(s), you can stop any of these payments. Here's how: Call us or write us at the telephone number or address set forth above, in time for us to receive your request three (3) business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) days after your call. If we require you to put your request in writing and send it to us within fourteen (14) days and you do not do so, then your oral stop payment order will cease fourteen (14) days after it has been made and we may make the payment if the person or organization demands it. We will charge you \$30.00 for each stop payment order you give.

Note: If you want to stop these preauthorized payments permanently, you must notify the person or organization you have told us to pay. A stop request, which we receive, will only stop the particular payment to which it applies. If you instruct us to stop these payments permanently we will do so, but we may require you to send us a copy of your notice to the person or organization you told us to pay.

Notice of Varying Amounts. If these regular payments vary in amount the person you are going to pay will tell you ten (10) days before each payment when it will be made and how much it will be. You may choose instead to get this notice only when

the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.

Liability for Failure to Stop Payment of Preauthorized Transfers. If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Other Provisions. There may be a delay between the time a deposit is made and when it will be available for withdrawal. You should review our Funds Availability Policy to determine the availability of the funds deposited at ATMs. We reserve the right to refuse any transaction, which would draw upon insufficient funds, exceed a credit limit, lower an Account below a required balance, or otherwise require us to increase our required reserve on the Account.

Non-Enforcement of our Rights. We can choose not to enforce or to delay in enforcing any of our rights under this Agreement without losing them in the future.

Amendments. We can change these rules, including, for example, adding or increasing fees. We will give you notice of these changes as required by law.

Provisional Payment Disclosure. Credit given by us to you with respect to an automated clearinghouse credit entry is provisional until we received final settlement for such entry through a Federal Reserve Bank. If we do not receive such final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to you in connection with such entry, and the party making payment to you via such entry (i.e., the originator of the entry) shall not be deemed to have paid you in the amount of such entry.

Notice Disclosure. Under the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your Account, we are not required to give next day notice to you of receipt of an ACH item and we will not do so. However, we will continue to notify you of the receipt of payment in the periodic statements we provide to you.

Notice of Law Disclosure. We may accept on your behalf payments to your Account which have been transmitted through one or more Automated Clearing Houses (ACH) and which are not subject to the Electronic Fund Transfer Act and your right and obligations with respect to such payments shall be construed in accordance with and governed by the laws of the State of Connecticut as provided by the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your Account.

Overdrafts. We may pay overdrafts on a discretionary basis for pre-authorized electronic fund transfers unless you opt out of such service. We do not pay overdrafts for ATM or everyday debit card purchases unless you authorize us to do so by opting in to have such service. If you do not have sufficient funds in your account to pay for a transaction and an overdraft occurs and we pay it, you will be charged a fee of \$34 per overdraft, unless your account is overdrawn for less than \$10.00. Other limitations and fees may apply. Please see your Account Disclosures and Fee Schedule and "What You Need to Know about Overdrafts" for more information.

BAZING™ MEMBERSHIP

Membership Levels. First County Bank account holders may be activated as one of two BaZing™ membership levels. All BaZing memberships are provided by StrategyCorps, LLC and its affiliates and contractors. Membership access is not directly operated by First County Bank. Account holders may cancel BaZing memberships at any time.

Purchase Discount Fees. All benefits provided through any level of BaZing membership are considered purchase discounts. Examples of purchase discounts may include a percentage discount received at a restaurant, reimbursement awarded as part of cell phone protection, or a predetermined price for a service such as towing. Each purchase discount is unique and may be changed over time. Purchase discounts are offered in coordination with companies not affiliated with First County Bank. **To receive the benefit of any purchase discount, you may be required to make a purchase or pay a fee associated with the receipt of the specific benefit. These fees are in addition to any fees normally associated with any First County Bank account you operate. Additional terms and conditions to any purchase discount may also apply.** Below are several examples of where you may be required to pay a fee in order to receive the benefit of a purchase discount:
